Introduction

This list of Medical Internet sites has been compiled to assist medical practitioners in their day to day duties. Each site is categorised as *Patient* or *Clinical* (or both), focused to assist in determining who the information is useful for.

Sites are also marked with the HONcode  logo if they have achieved the HONcode certification. The HONcode is a code of ethics that guides site managers in setting up a minimum set of mechanisms to provide quality, objective and transparent medical information tailored to the needs of the audience.

Some of the content in this document is related to the Sydney North Health Network area and as such may only be useful to those in this area. Information in this document may be reproduced; if you use this document as a basis for your own publication please acknowledge the source.

Disclaimer:

The websites linked to in this document are not under the control of Sydney North Health Network, and the Sydney North Health Network does not endorse and is not responsible for any material on, or linked to from these websites.

Medical Internet Sites

General patient information

Health on the Net Foundation: Patient
Clinical
www.hon.ch
An important web-site with tool-bar to be able to provide appropriate certification about a site's reliability.

Health Direct Patient
Clinical
www.healthdirect.gov.au 
Provides easy access to trusted, quality health information and advice online.

Quack Watch: Patient
Clinical
www.quackwatch.org 
Your guide to quackery information and medicine.

Healthy Skepticism: Patient
Clinical
www.healthyskepticism.org
Has large data base on issues relating to inappropriate or misleading advertising of medical products or services.

General Practice Notebook: Patient
Clinical
www.gpnotebook.co.uk
A reliable, concise online encyclopedia.

Mayo Clinic: Patient
Clinical
www.mayoClinic.com 
Concise patient orientated overview of many disease states.

Health Insite: Patient
Clinical
www.healthinsite.gov.au 
Sponsored by the Australian Government, this site incorporates an A-Z of medical topics and appropriate and reliable links.

myDr: Patient
Clinical
www.mydr.com.au 
Very comprehensive site of useful resources and animated clips.

UpToDateInc.: Patient
Clinical
www.uptodate.com/patient
Useful, concise fact sheets on numerous medical topics.

Patient UK: Patient
Clinical
www.patient.co.uk 
Excellent patient information leaflets.

Medic8: Patient
Clinical
www.medic8.com 
Comprehensive patient information database.

Medscape: Patient
Clinical
www.medscape.com 
Huge data base of up-to-date information on all branches of medicine for health professionals.

Lab Tests on-Line: Patient
Clinical
www.labtestsonline.org.au 
Very useful resource for patients enabling them better understanding of laboratory tests.

Drugs.com: Patient
Clinical
www.drugs.com 
Concise patient orientated data base on medications, interactions, pill identifiers, side-effects.

National Prescribing Service: Patient
Clinical
www.nps.org.au 
Good Fact Sheets on Medications importable to Best Practice and Medical Director.

NSW Clinical Information Access Service (CIAP): Patient
Clinical
www.clininfo.health.nsw.gov.au 
Provides clinical resources based on evidence based medicine on many aspects of medical care. Available to all doctors, nurses and allied health professionals working within NSW Public health system. A lot of this is available without registration but some needs registration access.

National Library of Medicine: Patient
Clinical
www.nlm.nih.gov
Huge data base of disease states on Medline Plus link.

Aetna Intellihealth: Patient
Clinical
www.intelihealth.com 
Comprehensive A-Z medical condition guide reviewed by Harvard Medical School.

National Guidelines Clearing House: Patient
Clinical
www.guideline.gov
Large data base of guidelines.

National Library of Guidelines (UK): Patient
Clinical
www.library.nhs.uk/guidelinesFinder/
Has a link to non-UK organisations.

National Institute for Health Patient

Medical Internet Sites

and Clinical Excellence: Clinical
www.nice.org.uk

UK NHS site which allows for Google style searching for evidence on treatments of a very comprehensive range of medical topics.

National Health Medical Research Council: Patient
Clinical
www.nhmrc.gov.au
Large data base of clinical guidelines.

Health Translation Online Directory: Patient
Clinical
www.healthtranslations.vic.gov.au
Numerous medical topics and fact sheets in various languages.

Google Translate: Patient
Clinical
translate.google.com.au
Copy and paste documents into appropriate box and automatic translations appear in many languages. Useful for typing out instructions for patients.

Cleveland Clinic: Patient
Clinical
my.clevelandclinic.org
A wealth of patient information in A-Z format.

WebMD: Patient
Clinical
www.webmd.com

It's My Health: Patient
Clinical
www.ItsMyHealth.com.au
Comprehensive information for patients managing their medicines and symptoms.

Science Based Medicine: Patient
Clinical
www.sciencebasedmedicine.org
An excellent site that explores some of the issues of alternative medicines.

Aboriginal and Torres Strait Islanders

Australian Indigenous Health/InfoNet: Patient
Clinical
www.healthinfonet.ecu.edu.au
It is a comprehensive resource - a 'one-stop info-shop'

on all facets of indigenous health for professionals.

Adolescent health

NSW Centre for Advancement of Adolescent Health: Patient
Clinical
www.caah.chw.edu.au

Allergy

Australian Society of Clinical Immunology and Allergy: Patient
Clinical
www.allergy.org.au
Very useful fact sheets and information on all manifestations and treatment of allergic conditions.

Cancer

Cancer Council of Australia: Patient
Clinical
www.cancer.org.au

Cancer Council of NSW: Patient
Clinical
www.cancercouncil.com.au

Cancer Treatments Online-eviQ (Cancer Institute of NSW): Patient
Clinical
www.eviq.org.au
This is a great local web site on cancer care. Free registration.

Peter MacCallum Cancer Centre: Patient
Clinical
www.petermac.org
Excellent cancer information and links to other reliable cancer information websites.

Virtual Cancer Centre: Patient
Clinical
www.virtualcancercentre.com
Excellent data on cancers, drugs
It is part of www.virtualmedicalcentre.com giving

Medical Internet Sites

excellent overview of many diseases, 3D animations.
Ignore the ads.

Australian Screening Mammography Decision Aid Trial: Patient
Clinical
www.mammogram.med.usyd.edu.au
Useful in deciding whether you need to start having mammograms.

Cancer Screening Decision: Patient
Clinical
www.Cancerscreeningdecision.org
A useful site in making a decision on FOBT.

Prostate Cancer: Patient
Clinical
www.prosdex.com
A useful site on deciding on PSA testing.

Department of Health and Ageing Cancer Screening Information: Patient
Clinical
www.cancerscreening.gov.au
Information on programs available for cancer screening.

National Cancer Institute: Patient
Clinical
www.cancer.gov
Very comprehensive guide to various cancers A-Z.

Leukaemia Foundation: Patient
Clinical
www.leukaemia.org.au/web/index.php
Excellent resource material for carers, patients and health professionals on a variety of leukaemias and myeloproliferative disorders.

Lymphoma Australia: Patient
Clinical
www.lymphoma.org.au
Excellent resource material for patients and carers of lymphoma patients.

Can Refer Patient
Clinical
www.canrefer.org.au
An excellent site for both professionals and patients on cancer resources in NSW and ACT.

Cancer Australia Patient
Clinical
www.canceraustralia.gov.au
Another resource for both professionals and patients on cancer resources.

Cardiovascular disease

National Heart Foundation: Patient
Clinical
www.heartfoundation.com.au

Also allows for direct advice via telephone –
1300 36 27 87

National Stroke Foundation: Patient
Clinical
www.strokefoundation.com.au

Cardiac Society of Australia and New Zealand: Patient
Clinical
www.csanz.edu.au

Heart Rhythm Society: Patient
Clinical
www.hrsonline.org
Excellent patient and professional educational resources.

Healthinsite: Patient
Clinical
www.healthinsite.gov.au/topics/Arrhythmia
Well resourced links to various arrhythmias.

National Cholesterol Education Program: Patient
Clinical
www.ncepa.com.au
Excellent patient resource with 'Heart-to-Heart' booklet.

Arrhythmia Alliance : The Heart Rhythm Charity: Patient
Clinical
www.arrhythmiaalliance.org.uk
Excellent site with useful links and information.

Youtube:– video on pacemakers Patient
Clinical
www.youtube.com/watch?v=UdaTqPSO3Rs
Good video on pacemakers.

Youtube:– video on coronary artery stenting Patient
Clinical
<http://www.youtube.com/watch?v=sfemrawMfT4>
Good video on coronary artery stenting.

Youtube: – video on cardiac catheterisation Patient
Clinical
<http://www.youtube.com/watch?v=kY5gKdFWT3k>
Good video on cardiac catheterisation.

Your Heart Forecast: Patient
Clinical
www.heartfoundation.org.nz/Your_Heart_Forecast.htm
|
This is a tool for GP's to explain to patients their heart risk. It is absolutely brilliant and should be a daily working tool for all of us!!

Stop Afib: Patient
Clinical
www.stopafib.org 
Useful resource for patients and professionals on atrial

Medical Internet Sites

fibrillation.

Atrial fibrillation

www.atrialfibrillation-au.org/

Good resource on atrial fibrillation.

Patient

Clinical

Anticoagulation Europe:

www.anticoagulationeurope.org

Excellent guideline on coagulation pathways.

Patient

Clinical

Complementary medicine

Australasian Integrative Medicine Association:

www.aima.net.au

Patient

Clinical

US National Library of Medicine and National Institute of Health Medline Plus:

www.nlm.nih.gov/medlineplus/druginformation.html

Good comprehensive information.

Patient

Clinical

National Health Service –UK:

www.library.nhs.uk/cam

Also good comprehensive information on a variety of topics.

Patient

Clinical

Blackmores Medical:

www.blackmoresmedical.com.au

Excellent drug interaction guide. Free registration.

Patient

Clinical

HealthExpertises.com:

www.healthexpertises.com

Patient

Clinical

Dental

American Dental Association:

www.ada.org

Has a useful A-Z resource base Oral Health Topics site.

Patient

Clinical

WebMD:

www.webmd.com/oral-health/default.htm

Useful resource material.

Patient

Clinical

Dermatology

Australasian College of Dermatologists:

www.dermcoll.asn.au

Patient

Clinical

Eczema Association of Australasia:

www.eczema.org.au

Patient

Clinical

New Zealand Dermatological Society:

www.dermnetnz.org

Excellent and comprehensive site on skin diseases.

Patient

Clinical

All about Acne:

www.acne.org.au

Good patient orientated guide.

Patient

Clinical

National Psoriasis Foundation:

www.psoriasis.org

Excellent patient resource material.

Patient

Clinical

Occupational Dermatology Research & Education Centre:

www.occderm.asn.au

Useful site on common occupational dermatoses and their management.

Patient

Clinical

Drugs and Alcohol

Australian Drug Foundation:

www.adf.org.au

Patient

Clinical

Alcoholics Anonymous:

www.aa.org.au

Patient

Clinical

Quit Campaign:

www.quit.org.au

www.quitnow.info.au (with Online QuitCoach)

Patient

Clinical

National Drug and Alcohol Research Centre:

www.ndarc.med.unsw.edu.au/

Patient

Clinical

The Right Mix:

www.therightmix.gov.au

This is a great site from Dept. of Veterans' Affairs for assessment of alcohol consumption and strategies to reduce.

Patient

Clinical

Medical Internet Sites

Drink Wise: Patient
www.drinkwise.org.au Clinical
Outlines excellent strategies especially for parents.

Australian Drug Information Network:  Patient
www.adin.com.au Clinical
Has an excellent, comprehensive quality database for Health Professionals on all aspects of Drug and Alcohol abuse.

Ear, nose and throat

Otolaryngology Houston:  Patient
www.ghorayeb.com Clinical
A well ordered comprehensive site on all aspects of ear, nose and throat.

ENT Information:  Patient
ent-information.com Clinical
Excellent information for patients on a variety of ENT conditions.

Dizziness and balance management, Prof Tim Hain Patient
www.dizziness-and-balance.com Clinical
Excellent resource for patients and GPs.

Emergency Medicine

Emergency Care Institute of NSW Patient
<http://www.ecinsw.com.au> Clinical
An excellent NSW site which contains continually updated, highly relevant, peer reviewed clinical, patient and emergency care system relevant information resources.

Endocrinology

Diabetes Australia: Patient
www.diabetesaustralia.com.au Clinical

Mendosa: Living with Diabetes:  Patient
www.mendosa.com/diabetes.htm Clinical
Comprehensive patient information data base and links on all aspects of diabetes.

Australian Thyroid Foundation: Patient
www.thyroidfoundation.com.au Clinical

Andrology Australia:  Patient
www.andrologyaustralia.org Clinical
Excellent A-Z guide on common male issues and reproductive health.

Thyroid Australia: Patient
www.thyroid.org.au Clinical

Thyroid Disease:  Patient
www.thyroidmanager.org Clinical
Useful and very concise data on all aspects of thyroid disorders.

Australian Paediatric Endocrinology Group: Patient
www.apeg.org.au Clinical
Provides excellent resource material and links in various facets relating to paediatric endocrinological conditions.

National Institute of Diabetes and Digestive and Kidney Diseases:  Patient
www2.niddk.nih.gov Clinical
Excellent resource base for both Gastro-intestinal and urological/ renal diseases.

WHO Fracture Risk Assessment Tool: Patient
www.shef.ac.uk/FRAX/ Clinical
A very useful online tool for predicting fracture risk.

Diabetes kids and teens: Patient
www.diabetekidsandteens.com.au Clinical
Good resource material for patients and health professionals on Type 1 diabetes.

Diabetes Counselling online:  Patient
www.diabetescounselling.com.au Clinical
Excellent resources on diabetes management .Also option for online counselling.

Diabetes in General Practice (RACGP): Patient
<http://www.racgp.org.au/your-practice/guidelines/diabetes/> Clinical
Comprehensive resource manual on management and assessment of diabetes.

Gastrointestinal

Medical Internet Sites

Gastroenterological Society of Australia: Patient
Clinical
www.gesa.org.au

Australia Crohn's and Colitis Association: Patient
Clinical
www.acca.net.au

Irritable Bowel Information and Support Association of Australia: Patient
Clinical
www.ibis-australia.org

The Coeliac Society of Australia: Patient
Clinical
www.coeliac.org.au

The Wales Day Centre: Patient
Clinical
www.wales.com.au
Excellent data base of common gastro-intestinal issues for patients.

National Institute of Diabetes and Digestive and Kidney Diseases:  Patient
Clinical
www2.niddk.nih.gov
Excellent resource base for both Gastro-intestinal and urological/ renal diseases.

Genetics

GeneTests:  Patient
Clinical
www.genetests.org
Excellent review and resource of common genetic conditions and links to international labs.

Centre for Genetics Education NSW: Patient
Clinical
www.genetics.com.au
Comprehensive fact sheet data base and excellent link for professionals and patients.

Human Genetics Society of Australasia: Patient
Clinical
www.hgsa.com.au
Association of Genetic Support of Australasia: Patient
Clinical
www.agsa-geneticsupport.org.au

Murdoch Children's Research Institute: Patient
Clinical
www.mcri.edu.au/Downloads/PrenatalTestingDecisionAid.pdf
This is an excellent guide on pre-natal testing and common scenarios.

Geriatrics

Guardianship Tribunal: Patient
Clinical
www.gt.nsw.gov.au
Very useful information and downloadable forms.

Planning Ahead Tools Patient
Clinical
NSW Government site to assist patient and clinicians to making wills, Enduring Power of Attorney, Guardianship, Advanced Care Directives
www.planningaheadtools.com.au/

Clinical
www.health.sa.gov.au/immunisationcalculator/
Useful resource to calculate which immunisations are due.

Do Vaccines Cause That? Patient
Clinical
www.dovaccinescausethat.com/pdfs/DVCT_sample.pdf
A guide to safety concerns for vaccines.

My Vaccination: Patient
Clinical
www.myvaccination.com.au
This has a very helpful patient friendly guide on vaccination needs.

National Centre for Immunisation Research and Surveillance : Patient
Clinical
www.chainofprotection.org
An excellent educational resource for parents on the importance of immunization. Excellent videos, Fact Sheets and Links.

National Centre for Immunisation Research and Surveillance: Patient
Clinical
www.ncirs.edu.au/immunisation/fact-sheets/index.php
Excellent resource base of fact sheets for patients and professionals.

Infectious diseases

U.S. Center for Disease Control: Patient
Clinical
www.cdc.gov
Excellent data base of diseases A-Z.

Medical Internet Sites

Infectious Diseases Society of America: Patient
Clinical
www.idsociety.org/Content.aspx?id=9088
Large data base of Guidelines by disease state/categories.

Northern Territory Government: Patient
Clinical
www.health.nt.gov.au/Publications/Centre_for_Disease_Control_Publications/index.aspx
Great database of fact sheets on numerous diseases & conditions.

Healthy Pets Healthy People Patient
Clinical
<http://www.cdc.gov/healthypets/>
A useful tool in guiding optimisation of interaction between pets and people.

Lifestyle / behavioural

U.S National Institute of Ageing: Patient
Clinical
www.nia.nih.gov
Good data base of age related topics/ resources.

Navigating self-management: Patient
Clinical
som.flinders.edu.au/FUSA/CCTU/pdf/Navigating_self_management%20March%202008.pdf
Useful guide to improving and implementing self-management strategies in General Practice.

Medico-legal

Law Society of NSW: Patient
Clinical
www.lawsociety.com.au
Some useful sections. Downloadable book on older people and the law.

ElderLaw Patient
Clinical
www.elderlaw.com.au
Excellent resource on common issues facing the elderly and their families / carers.

Men's health

Men's Health Australia: Patient
Clinical
www.menshealthaustralia.net
Good information, guidelines and very comprehensive list of useful links.

Mental health

Anxiety Patient
Clinical
Online: www.anxietyonline.org.au
"eTherapy" based program either self-help (free) or therapy assisted program(at low cost); an initiative of Swinburne University of Technology and funded by Dept Health and Ageing.

Clinical
www.mindhealthconnect.org.au
Pools numerous resources from a variety of different organisations. Fantastic site for both professionals and patients.

My Compass Patient
Clinical
<https://www.mycompass.org.au>
This is a really good recently released site on mental health with self learning modules on anxiety and depression.

Musculoskeletal

American Association of Orthopedic Surgeons: Patient
Clinical
www.orthoinfo.aaos.org
Excellent Resource base for patient information on all sorts of orthopedic issues.

Australian Orthopaedic Association: Patient
Clinical
www.aoa.org.au
Great links to other associations. Try Scoliosis Australia and American Orthopaedic Society for Sports Medicine for great information and videos.

Sports Medicine Australia: Patient
Clinical
www.sma.org.au
Some useful factsheets and downloadable injury reporting forms.

Australian Association of Musculo-skeletal Medicine: Patient
Clinical
www.musmed.com
Some useful Fact Sheets on a variety of spinal and soft tissue conditions.

Musculo-skeletal American Orthopaedic Foot and Ankle Society: Patient
Clinical
www.aofas.org
Useful educational resource for patients on a variety of conditions.

Medical Internet Sites

Hand injection techniques: Patient
www.youtube.com/user/DrStuartMyers Clinical
Useful educational resource for patients on a variety of conditions.

Wheless' Textbook of Orthopaedics Patient
www.whelessonline.com Clinical
Comprehensive textbook on all things orthopaedic.

Neurology

Alzheimers Australia: Patient
www.alzheimers.org.au Clinical
Great resource for patients, carers and doctors on every facet from diagnosis to management.

Brain Foundation: Patient
www.brainfoundation.org.au Clinical
Excellent A-Z guide common neurological disorders.

Headache Australia: Patient
www.headacheaustralia.org.au Clinical
Good patient orientated guide on headaches and their management.

Multiple Sclerosis Australia: Patient
www.msaustralia.org.au Clinical
Good resource on diagnosis, treatment /management options.

Stroke Foundation: Patient
www.strokefoundation.com.au Clinical
Useful guidelines; good overview on prevention, treatment and educational activities.

Parkinson's Australia: Patient
www.parkinsons.org.au Clinical
Excellent guide for patients and carers and some very helpful links.

Epilepsy Action of Australia: Patient
www.epilepsy.org.au Clinical
Helpful guide for patients and carers explaining epilepsy types, management and associated lifestyle issues.

Children's Epilepsy Resources for Families Patient
<http://www.pennsw.com.au/> Clinical
Good resource guide for families of children with epilepsy.

www.cedd.org.au Clinical
Excellent data base , links, self-help programs for sufferers. Good health professional information base.

Measure up: Patient
www.measureup.gov.au Clinical
Good overview of methods to achieve healthy eating and exercise.

Medical Internet Sites

Go for 2 and 5:

www.gofor2and5.com.au

Recipes on how to incorporate 2 servings of fruit and 5 servings of vegetables each day

Get Healthy Information and Coaching Service:

www.gethealthynsw.com.au

Information on healthy eating and being active.

Patient

Clinical

Patient

Clinical

Eating Disorders:

www.feast-ed.org

Patient

Clinical

Families Empowered and Supporting Treatment of Eating Disorders: great resource for families of sufferers of eating disorders.

Gestational Diabetes Recipes

www.gestationaldiabetesrecipes.com

Patient

Clinical

Clinical

An excellent site for patients with gestational diabetes.

O-Clinic

www.oclinc.com.au

Patient

Clinical

An excellent site designed for patients considering bariatric surgery.

Australian Guide to Healthy Eating

www.eatforhealth.gov.au

Patient

Clinical

Superb site for both clinicians and patients with useful guides and calculators to get patients on track.

Obstetrics and gynaecology

Royal Australian and New Zealand College of Obstetrics and Gynaecology:

www.ranzcog.edu.au

Some useful resources and helpful links.

Patient

Clinical

Australasian Menopause Society:

www.menopause.org.au

Excellent Fact Sheets, resources, video on menopausal treatments.

Patient

Clinical

Jean Hailes Foundation:

www.jeanhailes.org.au

Comprehensive guide on a variety of female conditions for health professionals and patients.

Patient

Clinical

ERC Endometriosis Research Center:

Patient

Clinical

www.endocenter.org

Good presentations and information on this topic.

Obgyn.net, The Universe of Woman's Health:

www.obgyn.net/medical.asp

A vast resource of women's related issues. Excellent resource material.

Patient

Clinical

The Royal Women's Hospital:

www.thewomens.org.au

Excellent A-Z resource for both Health Professionals and patients on many women's conditions. Has online forum to post questions.

Patient

Clinical

Children by Choice

www.childrenbychoice.org.au

Useful information on terminations.

Patient

Clinical

The Pregnancy Advisory Centre (SA)

www.pregnancyadvisorycentre.com.au

Useful information on pregnancy options.

Patient

Clinical

Marie Stopes International

www.abortionhelp.com.au

Useful information on pregnancy options.

Patient

Clinical

Women and Children's Health Network Pregnancy

<http://www.cyh.com/SubDefault.aspx?p=432>

Excellent resource for pregnancy management.
