Keynote Speakers

Gary Bain - RN MClinED BN DipApSc
Gary completed his undergraduate training at Avondale College, obtaining a Diploma of Applied Science (Nursing). He obtained a Bachelor of Nursing through University of Technology Sydney, combining this with a Burns and Plastic Nursing Certificate.

He completed his tertiary studies at the School of Medicine, University of NSW with a Masters Degree in Clinical Education. He commenced the Sydney Adventist Hospital’s Wound Management Service with Nursing Unit Manager John Sanburg in 1989 and has directed the nurse-led outpatient Wound Clinic since 1990.

In the ensuing years Gary has qualified as a Continence Advisor, been an inaugural member of the HEMI Advanced Wound Care Network, an associate member of the Wound Foundation of Australia, acted on the editorial board for Primary Intention, attended the Oxford University Wound Healing Summer School, participated as a member of the AWMA 2012 Conference Scientific Program Committee, gained the position of guest lecturer for the Australian Pharmaceutical Society and currently presents to medical, nursing and allied health professionals on behalf of SAN Education.

He left the Sydney Adventist Hospital and SAN Education in August 2015 and is now working in Private Practice as a Nurse Consultant and Educator.

Both within his hospital and local community, he is commonly referred to as “the wound guy”.

Dr Debbie Geyer – BSc (Med) MBBS DCH FRACGP
Debbie Geyer is a General Practitioner working at Cremorne Medical Practice in Sydney. She graduated in Medicine from the University of NSW in 2008, and is a Fellow of the College of General Practitioners. Debbie has a special interest in Lymphoedema, with both herself and members of her family affected by the condition. Debbie is the current President of the Lymphoedema Support Group of NSW. She is a founding steering committee member of the Lymphoedema Action Alliance and is also a consumer representative on the Australian and New Zealand Lymphoedema Registry (ANZLoR). Debbie is passionate about raising awareness for Lymphoedema, as well as advocating for needs in the Lymphoedema community.

Matthew Dutton – CNC Wound Care, St George Hospital
Matthew is currently the Wound Care CNC for the St. George Hospital and is a Clinical Lecturer and Masters of Philosophy candidate for Sydney University Nursing School.

Matthew is also a Consultant and regular speaker for the College of Nursing Wound Care Course and a committee member of Wounds Australia (NSW).

About RSL LifeCare – “Continuing in the ANZAC spirit”

RSL LifeCare is a charitable organisation that was formed in 1911 to provide care to war veterans. Services were initially provided at Bare Island, Botany Bay, until moving to Narrabeen in 1939. From small beginnings providing care and service to just a handful of war veterans, the organisation has grown to be one of the largest senior living services in Australia.

Continuing in the ANZAC spirit, RSL LifeCare promote a unique community that fosters holistic care, individuality, learning and innovation. Caring for over 5,500 residents, RSL LifeCare provides a range of aged care, community care and retirement living services that fosters independence and provides social, clinical, emotional and spiritual support.

Despite our growth and the passage of time, RSL LifeCare remains true to its original aim and mission – to provide a home of peace and security to senior Australians.
