

Ordering vaccines

- Login to the web based online vaccine ordering system at nsw.wrook.com.au/UsingYourPracticeLoginH.c

The screenshot shows the login page for the NSW Vaccine Centre. At the top left, the text "NSW Vaccine Centre" is displayed in large red font, with the phone number "1300 656 132" below it. To the right is the NSW Government Health logo. A grey "Login" button is on the left. A green breadcrumb trail reads "Home > Online Ordering System Login". The main heading is "Online Ordering System Login". Below this are two input fields: "username:" and "password:". A "LOGIN" button is positioned below the password field. At the bottom, there are links for "Forgot password?" and "Click here to register".

You will find the latest messages on the first page after login

Boostrix

Boostrix vaccine is now provided free to all pregnant women in their third trimester (preferably at 28 weeks gestation). To place your order, click on routine vaccines.

Data loggers

Providers are required to monitor vaccine fridges via a practice data logger and download the data weekly, so cold chain breaches can be appropriately assessed to reduce the potential for vaccine wastage. Bar fridges must not be used for vaccine storage.

No jab no pay

Commonwealth catch up vaccines for young persons 10-19 years of age are now available.

Influenza

Orders for 2016 influenza vaccine can now be placed however please to do not place a second order until you have received the first order in your practice.

Distribution of influenza vaccine will commence after Easter.

Complete your order and click on the [Add to Cart](#)

If you have ordered more doses than the maximum you will be presented with a check box that displays the maximum doses for that vaccine. Clicking on OK will allow you to change the doses in the order to the maximum or a lower quantity

If you place 0 in the doses required column, the system will automatically round it up to 1

If you do not need the vaccine, keep the whole line blank.

It can be removed on the next page

The [View Order](#) page appears and allows you to review the vaccines and doses that will be ordered. To change required doses, update the number and click on the [Update Order](#) button. To add additional vaccines, click on the [Add Products](#) button, enter the required doses against the additional vaccine and click on the [View Order](#) button

Authorised Practice Provider Declaration

In order to receive Government-funded vaccines, I declare that:

All vaccines will be administered according to NSW Health's vaccine eligibility criteria (previous page) and the NSW Immunisation Program Schedule

Yes No

Each vaccine dose administered in this practice will be notified to the Australian Childhood Immunisation Register and/or the National HPV Vaccination Register (as required)

Yes No

This facility complies with cold chain recommendations in the National Vaccine Storage Guidelines - Strive for Five

Yes No

Vaccine fridge temperatures are monitored and recorded at least daily with a min/max thermometer.

Yes No

In the event of a cold chain breach, I will call my local Public Health Unit for advice before taking any further action.

Yes No

The vaccine fridge(s) temperature has/have been between +2°C and +8°C since the last vaccine order (this excludes excursions up to +12°C for less than 15 minutes when opening the fridge and excludes cold chain breaches that have already been notified to the Public Health Unit).

Yes No

Authorised Practice
Provider*

Name: AHPRA Number:

** Medical practitioner nominated by the Practice to receive vaccines under the NSW Poisons and Therapeutic Goods Regulation 2008.*

[CONTINUE](#)

Providers with an AHPRA number will be taken to the [Authorised Practice Provider Declaration](#) page. Please answer the questions accurately by selecting Yes or No for each question. Enter the authorised practice provider name and AHPRA number and click [Continue](#)

Amending the delivery address

- Changing anything on the “Amend the delivery address” page will place a stop on the account
- If you move, 24 hours of data logging is required before you can place another order
- It is suggested that a generic email is used instead of a personal email address
