Register and request access

General practitioners (GPs)

If you're a GP, you're automatically recognised as a vaccination provider

You must request access to the AIR using HPOS.

To request access, complete the online request access form. Your access will be granted overnight.

You can log on to HPOS using PRODA the next day.

Other vaccination providers

If you're not a GP, you can apply to become a recognised vaccination provider.

Fill in the Australian Immunisation Register - Application to Register as a Vaccination Provider form and send it to your state or territory health department for approval. When we get the approved form, we'll give you a unique AIR registration number. This will identify you as a vaccination provider.

You must request access to the AIR using HPOS.

To request access, complete the online request access form. Your access will be granted overnight. You can log on to HPOS using PRODA the next day.
