

Fully Funded Short Courses Now Available for Your Medical Practice

Apply now and you could get full fee funding for your short course!*

To leverage this unique opportunity with Smart & Skilled NSW, UNE Partnerships has created nine short courses that will take your practice capability to new heights. Funding applications are limited so choose your short course and contact us today.

Who should do this training?: You must currently be working in a medical practice.

Duration: Students will have up to six months from the commencement date to complete course requirements.

Fee: UNE Partnerships is applying for funding under the NSW Smart and Skilled Program – *there will be no course fees if the application is accepted.

Delivery mode: Online/distance learning.

Please note: Practices can nominate multiple candidates, but individuals can only enrol in one course at a time.
