Organisation description

The Sydney North Primary Health Network (SNPHN) works on behalf of the Commonwealth to improve health outcomes for patients by increasing the capability and capacity of the primary healthcare workforce to ensure patients receive *the right care, in the right place at the right time*.

Position purpose

Position purpose:	The Digital Health Program Officer will educate health care providers, aged care providers and community organisations about the benefits of the My Health Record system to build capacity, increase registrations and the usage of the My Health Record. The Digital Health Program Officer will also provide education to health care providers on how to inform consumers of the benefits of My Health Record and of their option to Opt-Out and the process for doing so.
--------------------------	---
