

DETECT for RACF – Recognising and managing the Deteriorating Resident

Sydney North Health Network (SNHN) and Northern Sydney Local Health District (NSLHD) invite Residential Aged Care Facility (RACF) staff to attend a training afternoon on the Detecting and managing the deteriorating resident.

The afternoon will provide training on how to complete an A-G patient assessment, how to use the Deteriorating Resident Flip Chart, ISBAR communication skills and provide access to the online learning module.

DATE:

Thursday 21 February 2019

TIME:

1:00pm – 3:30pm

VENUE:

BaptistCare Shalom Centre
159-165 Balaclava Road
Macquarie Park

COST

No cost for RACF staff practising within the SNPHN region

CONTACT:

For more info, contact Jane Meccelli, SNHN Primary Care Advancement Coordinator – Aged Care or Judy or Robi from the Education Team on 9432 8250

Speaker & Learning Objectives

Speaker

Jane Meccelli, Primary Care Advancement Coordinator – Aged Care

Therese Jepson – ARRT Clinical Nurse Consultant

Emma Floyd – ARRT Clinical Nurse Consultant

Learning Objectives

- Performing an acute assessment of a deteriorating resident (ABCDEFGF)
- Identifying symptoms that require immediate action
- How to use the flip chart and action urgent care when appropriate
- Utilising ISBAR to communicate relevant information to other health practitioners
- How to access the online module for self-guided education

This training is provided by SNHN and ARRT. ARRT is an expert team consisting of a Geriatrician, an Aged Care Registrar and two Clinical Nurse Consultants.

ARRT provides rapid assessment for older people in their own homes and RACF's experiencing an acute medical, functional or cognitive decline and who are at risk of hospitalisation.
