Improving the Journeys of People with Dementia and their Carers in Northern Sydney: Two Focus Group Events for Health Care

To be leaders in HealthCare, Partners in Community Wellbeing

All health care professionals and care workers working with people with dementia and their carers working in the Northern Sydney region are invited to attend two (2) focus group events.

The first event: **“Modelling the Journey's of People with Dementia”** will assist in developing a better understanding of the current journeys of people with dementia and their carers, as well as current barriers and issues.

The second event: **“What we would like to see”** aims to identify the optimal journey based on available evidence as well as identifying opportunities to improve on the current experience of people with dementia in Northern Sydney. Participation on both days is preferred.

When: Monday 9th November Time: 08:30 - 4:30 pm

& Monday 23rd November Time: 08:30 - 1:00 pm

Location: Room 2, Northern Sydney Education Centre

Macquarie Hospital Building 14 -The Drive Wicks Rd North Ryde

Lunch will be provided on both days.

RSVP essential by Monday 2nd November to

silvia.austin@health.nsw.gov.au or Telephone: 9462 9828.

This work is being conducted by a partnership between Northern Sydney Local Health District, Sydney North Health Network, and CCNB Ltd. (a non-government organisation) . The aim is to develop tools to assist people with dementia, together with their carers and General Practitioners in identifying and accessing appropriate services in the region.

This initiative is being supported by the NSW Agency for Clinical Innovation and Alzheimer’s Australia NSW.
