

# Understanding the Changes to Aged Care Services

Are your residents, clients, community groups or members confused about the changes to accessing aged care services?

Do they have questions about carer support services?

## We can assist by providing a **FREE Community Presentation in your Centre**

The Free Presentation will provide information about:

- How to access aged care services
- The different types of services available
- Who is eligible for these services
- Cost for the services

If you would like to take advantage of our free community presentations, held at your Centre, please contact Rosanna Commisso, Home Support & Partnerships Coordinator at Northside on [rosannac@nsforum.org.au](mailto:rosannac@nsforum.org.au) or 8405 4444
