

Cardiovascular Symposium

Saturday 30th July 2016

Activity No. 55219
40 Cat 1 Points – RACGP 2014-2016 Triennium

A comprehensive Category 1 learning activity with the Mater's leading Cardiologists and Vascular specialists.

The day will be structured around interactive case-based discussions and we also encourage GPs to submit their own cases for review. Topics include:

Acute coronary syndrome

Prevention of Heart Disease

Heart Failure

Arrhythmias

Vascular Disease: PAD

Vascular Disease: aneurysm

Vascular Disease: superficial

Vascular Disease: ileofemoral

The program includes predisposing and reinforcing activities which must be completed to gain 40 CPD points. **Numbers are strictly limited** - to register email your name, practice details and RACGP number to rosemary.jandura@svha.org.au

Venue: Poche Centre, 40 Rocklands Road, North Sydney

Time: Registration 8.00am, Symposium 8.30am – 5.30pm
(breakfast, lunch, morning & afternoon tea included)
