

OPEN OVER CHRISTMAS & NEW YEAR

MANLY WATERS PRIVATE HOSPITAL IS THE ONLY PRIVATE HOSPITAL
OPEN ON THE NORTHERN BEACHES OVER THE HOLIDAYS

We wish you all a very Happy & Safe Christmas and extend a special thankyou to our referring hospitals, doctors and our staff for their dedicated work throughout the year.

Admissions:

Rehabilitation, medical and palliative patients may be admitted under the care of their GP, if accredited to Manly Waters Private Hospital, or one of our frequent user GPs. The patient's regular GP will be informed of the patients discharge and outcome.

The door is always open to discuss our services for Palliative Care patients:

We address physical, emotional, spiritual and social concerns that arise with advanced illness. This Team may include: GPs, Palliative Care Specialists, Physicians, Nurses and Social Workers, Other Allied Health Professionals, Chaplains and Psychologists.

Rehabilitation Programmes on offer for both inpatients and outpatients include:

Orthopaedic, cardiac, neurological (specialise in Parkinson's disease), reconditioning, sports injuries plus post and pre-operative programs.

A Rehabilitation Specialist will oversee the patient's progress:

- Rehabilitation inpatients - Dr Iain Rodger & Dr Fariborz Jashnany Rehabilitation Specialists
- Day Only Rehabilitation patients - Dr Fariborz Jashnany Rehabilitation Specialist

The great news is transport is available to all the Northern Beaches & Mosman for Day Rehabilitation patients.
