

Cultural Competence in Aged Care

Best practice approaches to provide individualised and relationship focused care

This interactive workshop has been developed by Partners in Culturally Appropriate Care (PICAC) NSW & ACT

PICAC
NSW • ACT

Partners in Culturally
Appropriate Care

Why you
should attend:

- ✓ Develop strategies to enhance cultural competence
- ✓ Gain insights into the diverse needs of people from culturally and linguistically diverse backgrounds
- ✓ Apply practical advice for managing behaviours in dementia

ccnb.
community care + well being
