

## Zombie Apocalypse

### Is your practice prepared for a pandemic?

Experience from the outbreak of H1N1 virus in 2009 suggests that the general practice team plays a crucial role in managing a pandemic in the community.

This interactive fun night using a fictitious case study will lead you to examine your own practice guided by the RACGP Pandemic Flu Kit.

**Presenters:** Dr Penny Burns, Dr Kiril Goring-Siebert, Peta Niven RN, Christine Fewtrell RN, Donna Pettigrew RN

*Brought to you by the Northern Sydney Nurses Network*
