

GP SYMPOSIUM

Update for GPs in Neurodegenerative disorders Psychiatry and Psychology

The **Woolcock Institute of Medical Research** is inviting you to attend our full day symposium.

We will discuss the assessment, treatment and management of dementia, teenage psychiatry and internet addiction, sleep and neurodegeneration, sleep walking and RBD, adult ADHD and sleep, insomnia, depression and sleep stress and trauma. Come along to hear about the latest research, discuss relevant case studies and identify alternative assessments and treatments that may assist your practice. Light refreshments provided.

An application will be submitted to the RACGP for this activity to be accredited for **40 Category 1 points**, as part of the **RACGP Quality Improvement & Continuing Professional Development Program** in the 2017-19 Triennium. Activity number to be allocated.
