### Where is the new Brookvale Community Health Centre?

The Brookvale Community Health Centre is located at **612-624 Pittwater Road, Brookvale** - directly across from Warringah Mall.

**Free client parking** is available on level 1 of the new seven storey car park adjoining the community health centre. The car park will be shared by clients, staff and commuters, and includes designated disabled parking spaces.

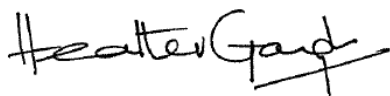

**A drop-off zone** is available for clients of the community health centre and can be accessed from either Pittwater Road or William St, Brookvale.

**Buses** are operating in front of the new centre on Pittwater Road, including the new B-Line buses. Visit [www.transportnsw.info](http://www.transportnsw.info) or call 131 500 for specific bus routes and timetables.

#### Further information

If you have any questions regarding the operation of services at the new Brookvale Community Health Centre, please contact us through the general reception number on **9388 5000** or contact the individual services directly. A list of the services and their contact information is attached.

Yours sincerely
