

Talking about Suicide in General Practice

Education and Training for General Practitioners

Workshop Details

When: *Wednesday 3rd April 2019*
6:00pm - 9:00pm

Where: *Black Dog Institute*
Hospital road, Randwick
NSW, 2031

Cost: *\$180*

Program Description

The Talking About Suicide in General Practice workshop aims to increase health professionals' skill and confidence in recognising presentations where suicide risk is high.

You will learn how to undertake a detailed risk assessment, and provide effective management planning using a collaborative, team based approach.

At the completion of the module participants will be able to:

- Undertake a suicide risk assessment effectively
- Develop a collaborative safety plan
- Provide effective management following a suicide attempt

Suitable for:

GPs, GP Registrars

Accreditation

6 RACGP QI&CPD Category 2 points
