Speaker & Learning Objectives

Speaker

Sue Cummins, Train IT Medical, (BA, Dip IT, TAE40110)

Sue's background is in the private sector in IT Management roles focusing on software systems delivery and project management. Sue is a Train IT Medical Senior Trainer, working closely with medical practices to improve their use of technology and meet accreditation requirements. Sue specialises in quality improvement projects, Aboriginal health and process improvements for risk minimisation and efficiency improvements.

Learning Outcomes

By the end of the training, participants will be able to:

- Access a patient's My Health Record and upload a Shared Health Summary and Event Summary
- Access and utilise reports related to My Health Record and quality improvements
- Develop a plan for their own practice data to meet safety, accreditation and practice incentive requirements
