

# Personality Disorders

focus on Borderline Personality Disorder (BPD)

Sydney North Health Network (SNHN) invites local GPs, Nurses, Pharmacists, Allied Health Professionals and Hospital Staff to an update on Personality disorders, with a focus on Borderline Personality Disorders. There will be an opportunity for health professionals to hear about the most appropriate management of BPD from a medical (psychiatry perspective) and to hear first-hand from a consumer the impact of their treatment on their life.

Local service providers will also speak about their services available to people with severe mental illness.

This activity has been allocated 4 category 2 points under the 2017-2019 RACGP QI&CPD Program, activity number 164372
