

## [A tribute to Carolynn Hodges](#)

It is with great sadness that we inform our community of the passing of colleague and friend Carolynn Hodges. She died peacefully on Friday 9<sup>th</sup> August with family close by.

Carolynn was a respected member of the SNHN Board and more recently, the Community Council.

Her experience, passion and commitment to advancing community mental health services was deeply valued and will be greatly missed by the board and staff at SNHN, as will her vivacity, compassion, charm and wit. Our hearts go out to her family, friends and colleagues.

Thanks for the memories,  
Sydney North Health Network.
