

TUESDAY 22 OCTOBER 2019

5:30PM – 8:45PM

Dealing with Dilemmas: Problems and Solutions

Featuring: *Margo Asimus, Anne Purcell, Wendy White and Lyn Thomas*

This event will guide pressure injury diagnosis and management, troubleshoot dressing selection and increase your knowledge of the patient problem of pain. It will also address clinician management and guide compression therapy selection.

2019 World Wide Pressure Injury Prevention Day is happening on Thursday, November 21, 2019. The objective of this day is to increase awareness about pressure injury prevention and to educate the public on this topic.

VENUE: Clinical Education
Centre, Sydney Adventist
Hospital, Wahroonga, NSW
