### LGBTI Awareness training for GPs - Trial Run

ACON has developed an LGBTI Awareness eLearning for GPs and practice team looking to strengthen their understanding of lesbian, gay, bisexual, transgender and intersex (LGBTI) people and communities. This is an interactive eLearning delivered in three modules: Meet the Communities, Know the Facts, and Understand the Lived Experience. This eLearning takes under an hour to complete and will introduce you to the LGBTI acronym, expand your understanding of sexual orientation, gender identity, gender expression, and bodies. Allowing you to meet community members and listen to their stories. You will have a chance to reflect upon the unique health and wellbeing issues faced by LGBTI people and learn what inclusion is and how to be an ally.

ACON Pride Training is looking for GPs willing to volunteer their time take the training and test it. Any feedback is very welcomed.

### Learning Outcomes:

- Differentiate between sex, gender identity, sexual orientation, and gender expression
- Summarise LGBTI health and wellbeing disparities
- Outline the health impacts of social stigma and assumptions
- Understand the lived experience of LGBTI people

### Duration:

- Around 1 hour

### Audience:

- GPs and practice team
