

RAPID AND RELIABLE ACCESS TO CARDIOLOGY SERVICES

ABOUT HEARTCONNECT

- Access to cardiologist opinion via phone or text
- Access to urgent appointments as indicated by GP
- Access to full suite of cardiac subspecialties and diagnostics
- Collegial relationships with a cardiology team that supports primary care

LOCATION

MQ Health Cardiology Clinic
 Suite 203, Macquarie University Clinic
 2 Technology Place, Macquarie University NSW 2109

MQ Health Cardiology Clinic is located near Macquarie University train station and bus stops. Parking is available for a fee outside the clinic building or under the Macquarie University Hospital next door.

COSTS AND EQUITY OF ACCESS

Standard out-of-pocket costs apply for consultations, tests and procedures. To ensure equity of access, GPs can indicate requirements such as bulk billing or telehealth.
