

NORTHERN BEACHES DEMENTIA FRIENDLY COMMUNITY PROJECT

Dementia Advisory Group

The Northern Beaches Dementia Alliance are looking for people who are living with dementia and their carers to join a local advisory group.

What is the role of the advisory group?

The group will be responsible for providing feedback regarding the project activities, including:

- the design of information for the community and school students
- supporting local business to become dementia-friendly
- drafting future project action plans

What kind of commitment is required?

Involvement is voluntary and the level of commitment will be dictated by individual members. You can choose to attend monthly meetings, meet informally with other members or complete online surveys.
