WHAT ARE SOCIAL Rx[®] and SOCIAL PRESCRIBING?

Social Rx, in partnership with the Head to Health Pop Up Hub in Northern Sydney, supports people to access non-clinical, local, community based services to improve their health, wellbeing and quality of life. This service is available to patients experiencing moderate to severe mental illness in the Northern Sydney PHN region, such as:

- People living with long term mental health issues and other chronic diseases
- People experiencing social isolation, depression or anxiety
- People who have had major life events such as loss of a partner, job, or house
- People wanting more physical activity or needing better access to healthy foods
- People more at risk of poor health outcomes associated with social determinants of health
- People who frequently use primary health care and other supports

Our team of **Social Workers** can assist patients to find supports, such as supporting **Access to Government Services** like the NDIS, MyAgedCare, NSW Housing & Centrelink; **Physical Activity Programs** like walking groups and lawn bowls; **Healthy Lifestyle/Food Programs** like Meals on Wheels, food banks and cooking classes; and **Social Programs & Services** like art classes, book clubs, coffee clubs, knitting groups, community centres.
