

Oncology Symposium for GPs

A Whole Person Approach to Cancer Care

THE IMPACT OF A PATIENT CANCER DIAGNOSIS AND THE ROLE OF A SHARED CARE MODEL

This activity will provide relevant clinical updates, evidence supported research and an overview of the Integrated Cancer Services at Sydney Adventist Hospital. GPs will develop both skills and knowledge to assist patients with the latest medical treatment options when treating cancer patients in their clinical setting.

DATE

Sunday 5 June 2022

TIME

9am - 4.30pm
Lunch and refreshments provided.

VENUE

Clinical Education Centre
Sydney Adventist Hospital
185 Fox Valley Road Wahroonga.
