NSW Perinatal and Infant Mental Health  
Symposium 2022

# Addressing challenges in the perinatal period

14 November, 2022  
9:00 AM to 4:00 PM

The program will draw together a wide range of experts to discuss these key topics:

- Domestic Violence
- Birth Trauma
- Neonatal Intensive Care
- Fathers and vicarious trauma
- Eating disorders

NSW health invites practitioners working with parents, infants and caregivers across mental health, maternity, paediatrics and child and family health fields

Register for in-person attendance at Kerry Packer Auditorium Royal Prince Alfred Hospital or join via zoom.
