

Practice Nurse Clinical Attachments with the NSLHD Drug and Alcohol Service

Northern Sydney Primary Health Network (Sydney North Health Network) is providing funding for Practice Nurses who are interested in completing a Supervised Clinical Attachment with Northern Sydney Local Health District (NSLHD) Drug and Alcohol Service Clinical Nurse Specialists.

To be eligible, practice nurses must have medical indemnity insurance and be employed in a practice participating in the AOD GP Pilot.

Venue

Royal North Shore Hospital Campus - Community Health Centre, 2c Herbert St, St Leonards.
Ph 9462 9177.

Brookvale Community Health Centre - 612/624 Pittwater Rd, Brookvale. Ph 9388 5111.

Clinic Sessions: Opioid Treatment Program (excludes methadone)

Clinic Time: 8.30am – 12.30pm

Opioid Treatment Program Clinic

Learning Objectives

On completion of this session practice nurses will

1. Understand the fundamentals of addiction including patient vulnerabilities
2. Recognise and manage signs of withdrawal, intoxication, and overdose
3. Manage processes for S8 Buprenorphine medications
4. Understand when and how to administer Naloxone

Remuneration: Remuneration is available for the practice if they are releasing the PN to do the clinical attachment, or for the PN if they are completing this education in their own time, at the rate of \$146 per hour.
